BALLOT PROPOSAL

COMMISSION ON AGING PROJECT

Shall the County of Barry issue its general obligation unlimited tax bonds in an amount not to exceed Five Million Four Hundred Fifty Thousand Dollars (\$5,450,000) in one or more series for the purpose of paying the cost of the demolition of the existing Commission on Aging building, construction of a new 22,500 square foot building, site work, kitchen equipment, and related appurtenances, for the Barry County Commission on Aging?

When issued, the bonds will be outstanding a maximum of 20 years (anticipated 2018 through and including 2037), exclusive of refunding. It is estimated that it will be necessary to levy 0.0593 mill (\$0.0593 per \$1,000 of taxable value) to pay debt service on the bonds in the first year of the levy, and to levy an estimated average of 0.1669 mill (\$0.1669 per \$1,000 of taxable value) for debt service in the following years, until the bonds are retired.

It is estimated that a property located in Barry County with a taxable value of \$50,000 will pay \$2.97 in the first year of the levy. In subsequent years it is estimated that a property located in Barry County with a taxable value of \$50,000 will pay, on average, \$8.35 per year thereafter.

The tax revenue received by the County as a result of the unlimited tax pledge will be disbursed to the County of Barry to repay the proposed bonds.
