Yard Waste

The City of Hastings Department of Public Works offers residential yard waste collection two times per year; Spring and Fall. The City also operates a drop-off compost facility for City residents only. Backyard burning is restricted to leaves only and a permit is required.

Please visit the [Yard and Food Waste page](#) for additional resources and other options for managing yard waste.

Additional Options

Resident Drop-off Locations

Note: Residents of each local unit of government pay for the recycle program, therefore please use only the recycle program in your town. If your local unit of government does not offer a program for recycling, voice your interest to one of your government officials.

Recycle only acceptable materials.

There is a charge every time a recycling bin is emptied. To get as much material in the bins as possible:

- PLEASE flatten all boxes
- Place materials in the bins loose (empty them from bags)

Do not leave materials on the ground. If bins are full, please return after they have been emptied. Material on the ground is unsightly and becomes litter in surrounding areas and homes.

Waste Management Recycling Drop-off and City of Hastings Landfill

1899 M-43 Hwy • 269-948-6605
