### **Yard Waste**

Yard waste can be burned on residential property (always check with your local fire department prior to burning) however *alternatives* to burning are highly recommended. Please visit the [Yard and Food Waste page](#) for additional resources and options for managing yard waste.

### **Additional Options**

#### ***Resident Drop-off Locations***

**Note:** Residents of each local unit of government pay for the recycle program, therefore please use only the recycle program in your town. If your local unit of government does not offer a program for recycling, voice your interest to one of your government officials.

Recycle only acceptable materials.

There is a charge every time a recycling bin is emptied. To get as much material in the bins as possible:

- PLEASE flatten all boxes
- Place materials in the bins loose (empty them from bags)

Do not leave materials on the ground. If bins are full, please return after they have been emptied. Material on the ground is unsightly and becomes litter in surrounding areas and homes.

*This drop-off is for the residents of Hastings Charter Township ONLY.*

Hastings Charter Township Hall • [Township Website – Recycling Information Page](#)  
885 River Rd

Materials accepted:

Cardboard, Mixed Paper, Aluminum and Steel Cans and Plastic Containers #1 - #7.
