Details

The Nashville Area Memorial Day Parade will begin at 12:00 noon starting after a short ceremony at the bridge over the Thomapple River then moving south on Main Street stopping at the Fire Barn to remember our first responders, with the parade ending at Sherman Street. Everyone will then relocate to Lakeview Cemetery for the flag raising and short VFW ceremony. Anyone who wishes is invited to join the parade, walking, riding bikes, motorcycles, ORV's, ATV's or antique cars. If participating, show some patriotism by showing flags or anything similar, red, white and blue. (Note: The Band will not march to Lakeview Cemetery.) Still need a few volunteers for rifle squad and color guard. If interested call or text 517-852-4435.
