Yard Waste

Yard waste and brush can be dropped off at the transfer station (see below). Contact your local fire department to find out if residential burning is legal. You can also find *alternatives* to burning by visiting the [Yard and Food Waste page](#) for additional resources and options for managing yard waste.

Additional Options

Resident Drop-off Locations

Note: Residents of each local unit of government pay for the recycle program, therefore please use only the recycle program in your town. If your local unit of government does not offer a program for recycling, voice your interest to one of your government officials.

Recycle only acceptable materials.

There is a charge every time a recycling bin is emptied. To get as much material in the bins as possible:

- PLEASE flatten all boxes
- Place materials in the bins loose (empty them from bags)

Do not leave materials on the ground. If bins are full, please return after they have been emptied. Material on the ground is unsightly and becomes litter in surrounding areas and homes.

Castleton, Maple Grove Townships and Village of Nashville Transfer Station
