SUTLER GUIDELINES

Historic Charlton Park is committed to bringing quality living history events to the residents of southwestern Michigan. We are pleased that you are joining us and ask your support in maintaining the historical authenticity of our event by complying with our guidelines. Included is a list of merchandise deemed unacceptable for sale during the Civil War Muster of 2010. Finally, modern vehicles are not permitted in the sutler area between 9:00am Saturday morning, July 17 and 3:30pm Sunday afternoon, July 18.

Merchandise Guidelines

A site representative will visit your sutlery on Saturday morning before the Civil War Muster opens to the public, to ensure that all items relate to the event's historical time period. Merchandise must be applicable to the time frame of the 1830's through 1865. The site representative **will ask** you to **remove non-period items** from your sutlery, or you will not be invited back.

Taxation

The Department of Taxation requires all sutlers to have a vendors license, to charge sales tax, and to remit sales tax to the State. Obtaining a vendor's license and following taxation procedures are the responsibility of each Sutler. Further information is available from the Department of Treasury, Treasury Building, 430 West Allegan Street, Lansing, MI 48922.

Charlton Park thanks you in advance for your cooperation and commitment to excellence.
